

Corporate Christmas at Hannah's Kitchen 2025

I know it seems FAR too early to be thinking about Christmas – the John Lewis Christmas advert isn't even out yet! – but I'm excited to share my Corporate Christmas Range with you, and to give you a head start on getting booked in, as December is naturally one of my busiest months.

Here are just a few of the reasons to treat your clients and staff with these foody gifts this Christmas!

- ✓ They taste **great**, and offer a personal, thoughtful touch
- ✓ Your company is supporting a small, independent business
- ✓ You will be sourcing locally made produce, from a business that, where possible, uses locally sourced ingredients (our eggs are from a farm in Garforth!)
- ✓ They can be personalised, either with edible branding or logos, or on the packaging
- ✓ Hannah's Kitchen has a 5 Star Food Hygiene Rating from Leeds City Council, and I take great care in producing quality, delicious bakes
