

Corporate Bakes at Hannah's Kitchen

With Hannah's Kitchen Corporate Range you will stand out from the crowd, treating your clients and staff to something delicious and memorable. I offer a range of edible treats that can be customised to your brand, or event celebration.

Reasons why you should choose Hannah's Kitchen to supply your corporate treats;

- ✓ They taste **great**, and offer a personal, thoughtful touch
- ✓ Your company is supporting a small, independent business
- ✓ You will be sourcing locally made produce, from a business that, where possible, uses locally sourced ingredients (our eggs are from a farm in Garforth!)
- ✓ They can be personalised, either with edible branding or logos, or on the packaging
- ✓ Hannah's Kitchen has a 5 Star Food Hygiene Rating from Leeds City Council, and I take great care in producing quality, delicious bakes
