

Corporate Christmas at Hannah's Kitchen 2026

Here we go again! The sun is still out and the jumpers are still packed away ,but already I'm thinking about the C-word!

Hannah's Kitchen makes delicious sweet treats; from Brownies and Biscuits to Cakes and Cupcakes, they make excellent office treats and Thank You gifts. Beautiful and delicious, everything is handmade so there's the added personal touch and attention to detail. You should consider buying your Christmas treats from Hannah's Kitchen because;

- ✓ They taste **great**, and offer a personal, thoughtful touch
- ✓ Your company is supporting a small, independent business
- ✓ You will be sourcing locally made produce, from a business that, where possible, uses locally sourced ingredients (our eggs are from a farm in Garforth!)
- ✓ They can be personalised, either with edible branding or logos, or on the packaging
- ✓ Hannah's Kitchen has a 5 Star Food Hygiene Rating from Leeds City Council, and I take great care in producing quality, delicious bakes
